

# PARTNER REPORT ON SUPPORT TO STATISTICS (PRESS)

VOLUME 2

VOLUME 2

2008 Round

This report reflects the work of the inter-agency Task Team on the Partner Report on Support to Statistics (PRESS), which was composed of representatives from France, United Kingdom, European Commission/Eurostat, Food and Agricultural Organization, International Monetary Fund, Organisation for Economic Co-operation and Development, World Bank, and the UN Economic Commission on Europe, under the leadership of the PARIS21 Secretariat. The Task Team was formed under the aegis of the Committee for the Coordination of Statistical Activities (CCSA) and PARIS21.

It should be noted that the report covers only the information sent by partners or extracted from the OECD's Creditor Reporting System.

Please address any comments to the PARIS21 Secretariat at [contact@paris21.org](mailto:contact@paris21.org).

# Table of Contents

Acronyms.....	5
Legend of Statistical Activities.....	9
Exchange Rates.....	10
Table I: Support to Statistical Development, 2006-08, by Recipient Country .....	11
Table II: Support to Statistical Development, 2006-08, by Development Partner .....	47
Table III: Support to Statistical Development, 2006-2008, by Statistical Activity .....	79
Table IV: Active Commitments, by Recipient Country and Key Development Partner, 2006-08 .....	97
Table V: Planned Support to Statistical Development, 2008 and Beyond .....	103

This information is sorted out by the following geographical regions: Sub-Saharan Africa, East and South Asia, Europe and Central Asia, Latin America and the Caribbean, and Middle East and North Africa. It covers all Sub-Saharan African countries and IDA and middle low-income countries for the other regions. Support that is not country-specific, is shown in the category, “bilateral unallocated” and “other partners unallocated”.

The field “Statistical area” is based on “*the Classification on activities in the domain of Statistical capacity building, adjusted for the reporting of donor and recipient activities*”, developed by the Task Team PRESS – see page 5.
