#	Decision for the Steering Committee
1	Does the Committee agree with the proposed Partnership activities outlined in the document <i>P21-SC1-07-PART</i> ? In particular, to whom should the draft letter in Annex A be addressed? What constitutes an endorsement of PARIS21 principles?
2	Does the Committee agree with the proposed activities in the PARIS21 work programme for 2007–2008, as outlined in <i>P21-SC1-07-WKPG</i> ?
3	Does the Committee agree to hold the next Steering Committee on 12–13 November 2007 in Paris, back-to-back with the Inter-Agency and Expert Group meeting? Does the Committee agree to the proposed format of (1) a full-day meeting on PARIS21, (2) a half-day seminar on the satellite programmes and Metagora? Does the Bureau agree to hold its next meeting in the margins of the CCSA meeting in Madrid, 10–11 September 2007?
4	In light of the OECD Executive Committee's decision to postpone review of PARIS21's request to recruit nationals from non-OECD economies (see document <i>P21-SC1-07-PROG</i> , section 5.1, page 8), does the Steering Committee authorise the Secretariat to launch immediately the recruitment of a Deputy Manager within the current OECD regulations (i.e., only OECD nationals)?
