

Partner Reporting on Support to Statistical Development

Task Team Meeting – June 17, 2008

Draft Agenda

- 9:30 Agreement on Agenda
- 9:35 Presentation of progress on PRESS 2008 round
- Launching of PRESS
 - Development of database
- 10:00 Presentation of preliminary findings (see very draft note)
- 10:30 Coffee break
- 11:00 Discussion and agreement on measures to ensure “quality” of information, including:
- Clarification on definition of “statistical support”
 - Reviewing of statistical components of larger projects (check their cost vs. total project cost)
 - Country coverage (IDA countries + lower middle income countries?)
 - Benchmark year (include only activities ongoing in 2006?)
 - Checking funding/implementing source: avoid double-counting
 - Agreement on exchange rate for conversion into US\$
 - Consistency of data with other sources (partner websites, newsletters, project documentation)
- 13:00 Lunch
- 14:00 Video-conference: summarize morning discussion for TT members not in Paris
- 14:30 Continuation of morning discussion on measures to ensure “quality” of information
- 15:00 Discussion and agreement on content of report on PRESS 2008 (tables to be provided (e.g. presentation of statistical areas), any specific theme to be highlighted, etc)
- 16:00 Agreement on next steps
- for developing database, including accessibility of data
 - other activities before terminating the work of the Task Team
- 16:30 Agreement on future of Task Team
- termination of its work (date?)
 - transforming TT into Technical Review Group for future?
- 17:00 Closing of meeting
